

BLOKŲ IŠDĖSTYMO ŠHEMA

The diagram illustrates the spatial arrangement of four blocks, labeled 1 through 4, within a larger rectangular area. The blocks are positioned in a 2x2 grid. Block 1 is in the bottom-left corner, Block 2 is in the top-left corner, Block 3 is in the top-right corner, and Block 4 is in the bottom-right corner. The blocks are separated by thin lines, and their shapes are irregular, suggesting they represent specific geographical or administrative areas.
